***EXAMINER'S AMENDMENT***

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bruce L. Adams on July 28, 2005.

2. The application has been amended as follows:

In the claim:

Claim 8 (renumbered as claim 1), line 5, replace "an" with -- at least one --.

Claim 9 (renumbered as claim 4), insert -- power source -- just before "voltage" in both lines 9 and 10.

Claim 25 (renumbered as claim 2), insert -- each of -- just before "the LEDs" in line 3.

***REASONS FOR ALLOWANCE***

3. The following is an examiner's statement of reasons for allowance: the claimed invention is directed to a light emitting diode drive circuit. Each independent claim identifies the uniquely distinct features, "to boost the power source voltage when the constant current is smaller than a predetermined value, and not to boost the power source voltage when the constant current has the predetermined value or more" (see last 5 lines of claim 8 (renumbered as claim 1) and lines 8-11 of claim 9 (renumbered as claim 4). Examiner agrees with Applicant that (see page 7, lines 3-13 of the amendment filed on 6/27/2005) the closest prior art, Worley, Sr. et al. (US 6,486,726 B1), as discussed in the Office Action dated 2/23/2005, which discloses an LED drive circuit having a

booster circuit that is voltage-controlled by the voltage of a capacitor, either singularly or in combination with other cited prior arts in record, fails to anticipate or render the above underlined limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
